

This is from *Liebusters* by Jonathan Cavan, with adaptations based on hundreds of case studies done by Bralynn Newby, of Spirit-Centered Business™.

1. OPENING CONNECTION PRAYER

The person should be relaxed with their eyes closed, keep your eyes open so you can see how they respond to Jesus/Holy Spirit

> "(Name) I release the goodness of God over you (pause and repeat), I release the frequency of heaven to resonate with every cell of your being and I call your spirit forward. Your soul can just take a rest."

2. DECLARE FATHER'S SOVEREIGNTY

> "'I declare that you will receive the fullness of all that Father God has for you. We lean into and trust your sovereignty."

3. ESTABLISH PROTECTION

> Father God I declare your authority over all that happens and that nothing will happen that's outside of your plans and purposes. I establish fire walls and shields around us now across all timelines, realms and dimensions, and declare we are operating in stealth mode, undetectable by the enemy. No interlopers will be able to see, hear, perceive, know or interfere with anything we're doing here today."

4. DECLARE JESUS AS THE ONLY DOOR *(If Christian, or use "Truth" or "Love", etc. if not.)*

> "Jesus thank you for your amazing sacrifice, thank you for tearing the veil so that we're able to step into the heavenly realms. Thank you for dying to destroy the works of the enemy and reveal your Father to us. We are here today to partner with you to do the same."

5. WELCOME HOLY SPIRIT

> "Holy Spirit, thank you for being here with us and making this work possible.. Please give (name) eyes to see, ears to hear and sharpen all of her/his spiritual senses so they don't miss anything you're doing today."

6. HIS AGENDA, NOT OURS

Trust that Jesus knows what is needed right now.

> "Jesus, what do you want to set (name) free from or help her/him with today?"

ISSUE: _____

(Something going on in their life that's holding them back, keeping them stuck, etc.)

7. FIND THE ROOT

> "Jesus, is this issue rooted in their own life, or generational, or both?"

ROOT: _____

If generational, ask Mom or Dad's side, or both. Then get the number of generations back. If own life, get the age where the seed was first planted. Circle back around to get all roots.

8. FIND THE SEED

> "Jesus what happened (name gens back on which side/or age in own life) that planted the seed of (issue)?"

SEED: _____

9. LIES/SLIME LIST *(aka Accusations, spiritual liens, ungodly bonds, etc if you're used to Courts of Heaven language. Write down what they say, not your interpretation of it.)*

> "When (seed) was planted, what else did the enemy put on them/the bloodline?
What did they start believing about:"

- A. Themselves
- B. Others
- C. God
- D. What coping mechanisms or patterns of behavior started?
- E. Any other emotional baggage they were feeling?
- F. Anything else that needs to be on this list? *(You want a complete list, but pay attention to time constraints.)*

10. BREAK THE LIES OFF! *(Have them repeat after you.)*

> "Jesus, I now choose to forgive my ancestors (if generational) or myself (if own life) and anyone involved. I release them, and take them off the hook. They owe me nothing. And I bless them. Jesus I ask that you would also forgive, release and bless them."

> "I now nail all of these lies and slime to your cross where your blood can wash them completely away." Read off the ISSUE, ROOT, SEED, and LIES.

> I declare these lies, and I break agreement with them. I come out of alignment with them, and I break the power they've had over: (whatever seems appropriate to the issue.)

- A. My life
- B. My bloodline
- C. My health
- D. My relationships
- E. My finances
- F. My destiny

>(After the list) "I now declare myself (and my bloodline if generational) completely forgiven and free in the mighty name of Jesus!

11. RESULTS/TRUTHS LIST

>" Jesus, please show (name) the results of what she/he just did, and the truth that replaces these lies."

> "Declare these in present tense "I am" statements as fitting."

12. CIRCLE BACK TO OTHER ROOTS, IF NECESSARY.

13. PARTS SCAN:

>" Jesus please show (name) if there are any parts of him/her that got stuck along the way. Give him/her the age or ages.

PARTS: _____

(Usually start with the youngest, or ask if there's more than one part who is the leader that the others will pay attention to? Have them repeat after you.)

>" ___yr old (name), I love you. You're a very important part of me, and I care about what you have to say. What is your greatest need right now?"

NEED: _____

>" ___yr old (name) I have good news for you! I'm with Jesus and he (provides need). Would you like to come to Jesus now too?"

(Have them do a 3-way hug with Jesus to see if the part comes into them.)

>*(If integrated)* "Jesus, please tell (name) what it means that ___yr old is now integrated into them. What can they do now that they couldn't do 1 hour ago?" (What they should watch for and expect in their 3D world experience.)

MEANS: _____

> Declare the truth of what the integration means to your life.

(Circle back to get other parts, if needed.)

14: CRITTER SCAN

> "Jesus please show (name) if there are any demonic attachments/leftovers not yet dealt with, if so please either show him a picture or give him a feeling in his/her body."

(If yes - put a name to it, such as what it looks like (black wall) or what it feels like (pain in my shoulder) and say:

>" (Critter name) what right do you have to be here?"

- A. It will leave because it doesn't have a right, or you will hear it has no right and so you tell it to leave in the name of Jesus.
- B. If there's an agreement that gives it a legal right to be there, just repent for making that agreement, ask for forgiveness, break agreement, and receive your forgiveness and freedom. (You COULD go through the whole Root/Lie list again if needed, but it's usually not.)

15. Father Time

Ask Jesus to take you/them to see Father God. See what He and the angels are doing to celebrate and acknowledge the work you just did to bring heaven to earth by replacing lies with truth in your life and bloodline.

- A. Describe the scene and declare what you/they see.
i.e. "Father is so proud of me, he is holding out his hands to embrace me in his love."
or "The angels are dancing and praising the Lord in honor of me!"
- B. Ask what gift Father has for you/them to commemorate this day of Freedom.
- C. Ask what Father wants to say to you/them.

Add-on Script for Witchcraft, Freemasonry, or any Other Satanic Practice:

"I nail to cross of the true Lord Jesus Christ all satanism, witchcraft, freemasonry, druidism, illuminati, lucifarianism, new age, sex magic, false nuptials, hypnosis, self-hypnosis, mind control programming, weaponized demonic activity or technology, or any other dark arts or pagan religious practices of any kind to the cross along with all associated ceremonies, signs, symbols, rituals and regalia. I nail all curses, hexes, vexes, spells, incantations, covenants and vows, all acts of sexual perversion, all blood sacrifices, all animal sacrifices and all human sacrifices and all other associated dark powers to the cross where the blood of Jesus washes them all away.

I renounce, revoke and break agreement with all of these, and I break the power that they have had across all ages, timelines, realms & dimensions. I declare them null and void, and they must now fall lifeless to the ground, and are sent back on the heads of the senders that they would know that Jesus Christ is Lord. I declare total freedom for myself and my bloodline now in the mighty name of Jesus."
